

TFSA Reassessment For 2015–2018

To whom it may concern

my name is Zheng Wang, **SIN number:288703234**

This letter is to ask for reassessment and correction the possible mistake of my TFSA non–residence tax and contribution room from 2015 to 2018.

I returned Canada on June 25, 2015, I reported to BC government immediately and got my BC service card in Oct 2015.

I lived on Vancouver island for 4 years and left Canada on Sep 6, 2018 for family reason(my father got a stroke) and stayed in China until today(Nov 2020).

Before I left, I informed BC government to stop my medical insurance.

Since I left Canada, never log in my CRA account in 2019, 2020.

2020/11/22 is my first day to log in my CRA account and found the penalty of excess TFSA contribution room about 5500 dollars, I called and contacted CRA agent next day, she asked me the best solution to pay the bill and send the letter to CRA for reassessment TFSA contribution room at the same time.

If there is a correction, please return the funds to my RBC account via Direct Deposit.

Best Regards

Wang, Zheng

the evidence files that I returned to Canada and became residence in June 2015
